10   (3)   (a)   The Kentucky Board of Education is hereby authorized to lease from the State  
11               Property and Buildings Commission, or others, whether public or private, any  
12               lands, buildings, structures, installations, and facilities suitable for use in  
13               establishing and furthering television and related facilities as an aid or  
14               supplement to classroom instruction, throughout the Commonwealth, and for  
15               incidental use in any other proper public functions. The lease may be for any  
16               initial term commencing with the date of the lease and ending with the next  
17               ensuing June 30, which is the close of the then-current fiscal biennium of the  
18               Commonwealth, with exclusive options in favor of the board to renew the  
19               same for successive ensuing bienniums, July 1 in each even year to June 30 in  
20               the next ensuing even year; and the rentals may be fixed at the sums in each  
21               biennium, if renewed, sufficient to enable the State Property and Buildings  
22               Commission to pay therefrom the maturing principal of and interest on, and  
23               provide reserves for, any revenue bonds which the State Property and  
24               Buildings Commission may determine to be necessary and sufficient, in  
25               agreement with the board, to provide the cost of acquiring the television and  
26               related facilities, with appurtenances, and costs as may be incident to the  
27               issuance of the bonds.

- 1       (b) Each option of the Kentucky Board of Education to renew the lease for a  
2       succeeding biennial term may be exercised at any time after the adjournment  
3       of the session of the General Assembly at which appropriations shall have  
4       been made for the operation of the state government for such succeeding  
5       biennial term, by notifying the State Property and Buildings Commission in  
6       writing, signed by the chief state school officer, and delivered to the secretary  
7       of the Finance and Administration Cabinet as a member of the commission.  
8       The option shall be deemed automatically exercised, and the lease  
9       automatically renewed for the succeeding biennium, effective on the first day  
10      thereof, unless a written notice of the board's election not to renew shall have  
11      been delivered in the office of the secretary of the Finance and Administration  
12      Cabinet before the close of business on the last working day in April  
13      immediately preceding the beginning of the succeeding biennium.
- 14      (c) The Kentucky Board of Education shall not itself operate leased television  
15      facilities, or undertake the preparation of the educational presentations or  
16      films to be transmitted thereby, but may enter into one (1) or more contracts to  
17      provide therefor, with any public agency and instrumentality of the  
18      Commonwealth having, or able to provide, a staff with proper technical  
19      qualifications, upon which agency and instrumentality the board, through the  
20      chief state school officer and the Department of Education, is represented in  
21      such manner as to coordinate matters of curriculum with the curricula  
22      prescribed for the public schools of the Commonwealth. Any contract for the  
23      operation of the leased television or related facilities may permit limited and  
24      special uses of the television or related facilities for other programs in the  
25      public interest, subject to the reasonable terms and conditions as the board and  
26      the operating agency and instrumentality may agree upon; but any contract  
27      shall affirmatively forbid the use of the television or related facilities, at any

1 time or in any manner, in the dissemination of political propaganda or in  
2 furtherance of the interest of any political party or candidate for public office,  
3 or for commercial advertising. No lease between the board and the State  
4 Property and Buildings Commission shall bind the board to pay rentals for  
5 more than one (1) fiscal biennium at a time, subject to the aforesaid renewal  
6 options. The board may receive and may apply to rental payments under any  
7 lease and to the cost of providing for the operation of the television or related  
8 facilities not only appropriations which may be made to it from state funds,  
9 from time to time, but also contributions, gifts, matching funds, devises, and  
10 bequests from any source, whether federal or state, and whether public or  
11 private, so long as the same are not conditioned upon any improper use of the  
12 television or related facilities in a manner inconsistent with the provisions of  
13 this subsection.

14 (4) The state board may, on the recommendation and with the advice of the chief state  
15 school officer, prescribe, print, publish, and distribute at public expense such  
16 administrative regulations, courses of study, curriculums, bulletins, programs,  
17 outlines, reports, and placards as each deems necessary for the efficient  
18 management, control, and operation of the schools and programs under its  
19 jurisdiction. All administrative regulations published or distributed by the board  
20 shall be enclosed in a booklet or binder on which the words "informational copy"  
21 shall be clearly stamped or printed.

22 (5) Upon the recommendation of the chief state school officer or his designee, the state  
23 board shall establish policy or act on all matters relating to programs, services,  
24 publications, capital construction and facility renovation, equipment, litigation,  
25 contracts, budgets, and all other matters which are the administrative responsibility  
26 of the Department of Education.

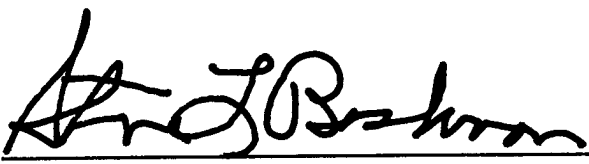

27 ➔Section 3. Whereas it is necessary for the Kentucky Board of Education or its

1 agency designated to manage interscholastic athletics to provide training and develop  
2 materials required under the provisions of this Act prior to the beginning of the 2012-
